

APPLICATION - LAND DISTURBANCE PERMIT (LDP)

CITY OF GALLATIN, Engineering Division

132 West Main Street, Room 204

Gallatin, TN 37066

tel. 615.452.5400 ext. 318 fax. 615.452.0348

After submission of this LDP, the Applicant must notify the Engineering Division two (2) working days in advance of commencement of construction. Erosion Prevention and Sediment Control (EPSC) measures must be in place and inspected by the Engineering Division prior to grading. Routine inspections of EPSC devices shall be performed to insure effectiveness throughout the project duration.
